NOSE-TOE-TAIL

ANTI-SEPTIC FOLD LOTION (w/PS)

PROPERTIES

FOR DOGS & CATS

V4B Skin-Fold Lotion contains broad spectrum antimicrobial and antifungal ingredients for the management of conditions that are responsive to chlorhexidine and ketoconazole. Phytosphingosine is a pro-creamide to help restore the skin barrier and help in the long term management of skin conditions. Phytosphingosine-salicyloyl also helps fight irritations. V4B Skin-Fold Lotion leaves the hair feeling clean, shiny and pleasantly scented.

USES: For dogs and cats-adjunctive topical management of conditions that are responsive to chlorhexidine and ketoconazole. This product is intended for use adjunctively in protocols for the management of skin conditions under the supervision of a veterinarian.

TECHNICAL SPECIFICATIONS DIRECTIONS FOR USE

Antiseptic cleansing mousse for dogs and cats with dermatology conditions that are responsive to chlorhexidine and ketoconazole.

External use only. Shake well before use.

INGREDIENTS (PER WIPE)

Water, Chlorhexidine Gluconate, Propylene Glycol, Glycerine, Ketoconazole, Lactic Acid, Polysorbate 20, Fragrance, Phytosphingosine Salicyloyl, Methylisothiazolinone.

Localized use: Can apply on the animal. Massage into the skin-fold in order for the product to reach the skin. Do not rinse. Let air dry. Apply as often as necessary.

DOSAGE

Under 11 lbs: 1 pump per 2 lbs
12-88 lbs: 1 pump per 4 lbs
Over 89 lbs: 1 pump per 6lbs

Dosage can be doubled for long hair dogs. The veterinarian's recommendations should be observed. It is usually recommended to use in combination with V4B Yeasty Skin Shampoo, bathing on day 1 and applying the mousse on day 3 and day 6. Repeat for 2 to 3 weeks.

Generalized use: Brush the coat thoroughly. Apply on dry coat. Dispense 1 or 2 pumps in the hand and then apply on the animal. Massage into the hair coat in order for the product to reach the skin. Repeat as many times as necessary to cover the whole body. Avoid areas around the eyes and mouth. Do not rinse. Let air dry. Once dry, the animal may be brushed again to bring luster.

PRESENTATION

Bottle of 6.8 fl. oz (200 mL)

STORAGE

Store at controlled room temperature.

CAUTIONS

For topical use in animals only. Do not swallow. Avoid contact with eyes. If contact with eyes occurs, rinse thoroughly with water and contact a veterinarian. Keep out of reach of children. Not for otic use.
