YEASTY SKIN

ANTISEPTIC ANTIYEAST WATERLESS GEL W/PS

DIRECTIONS FOR USE

FOR DOGS & CATS

Localized use: Brush the coat thoroughly. Apply on dry coat. Dispense one or two pumps in the hand and then apply on the animal. Massage into the hair coat in order for the product to reach the skin. Do not rinse. Let air dry. Apply as often as necessary.

Generalized Use: Brush the coat thoroughly. Apply on dry coat. Dispense one or two pumps in the hand and then apply on the animal. Massage into the hair coat. Dispense one or two pumps in the hand and then apply on the animal. Massage into the hair coat in order for the product to reach the skin. Repeat as many times as necessary to cover the whole body. Avoid areas around the eyes and mouth. Do not rinse. Let air dry. Once dry, the animal may be brushed again to bring luster.

Presentation: Bottle of 6.8 fl. Oz. (200 ml)

USES

Adjunctive topical management of conditions that are responsive to chlorhexidine and ketoconazole. This product is intended for the use adjunctively in protocols for the management of skin conditions under the supervision of a veterinarian.

TECHNICAL SPECIFICATIONS

Antiseptic cleansing mousse for dogs and cats with dermatology conditions that are responsive to chlorhexidine and ketoconazole.

STORAGE

Store at controlled room temperature.

PROPERTIES

V4B AntiYeast Gel +PS contains broad spectrum antimicrobial and antifungal ingredients for the management of conditions that are responsive to chlorhexidine and ketoconazole. Phytosphingosine is a pro-creamide to help restore the skin barrier and help in the long term management of skin conditions. Phytosphingosine-salicyloyl also helps fight irritations. V4B AntiYeast Gel +PS leaves the hair feeling clean, shiny and pleasantly scented.

INGREDIENTS (PER WIPE)

Water, Chlorhexidine Gluconate, Propylene Glycol, Glycerine, Ketoconazole, Lactic Acid, Polysorbate 20, Fragrance, Phytosphingosine Salicyloyl, Methylisothiazolinone.

PRECAUTIONS

For topical use in animals only. Do not swallow. Avoid contact with eyes. If contact with eyes occurs, rinse thoroughly with water and contact a veterinarian. Keep out of reach of children.
