YEASTY SKIN

MEDICATED SHAMPOO (w/PS)

DIRECTIONS FOR USE

FOR DOGS, CATS & HORSES

Shake well before use. Thoroughly wet animal's coat with tepid water. Massage V4B Yeasty Skin Shampoo into the coat and continuously add water to better dispense product, until generous lather is generated. Rinse well and repeat. Allow to remain on the haircoat for 5 to 10 minutes then rinse thoroughly with clean water. Add May be used 2 to 3 times weekly during 3 to 4 weeks or as directed by a veterinarian.

PROPERTIES

Chlorhexidine is a broad-spectrum antibacterial ingredient effective against common pathogens. Ketoconazole is an antifungal effective against fungi and yeasts (*Malassezia pachydermatis*). The combination of chlorhexidine and ketoconazole offers a broad-spectrum antiseptic activity. Phytosphingosine is a pro-ceramide to restore the skin barrier and help in the long-term management of skin conditions. Phytosphingosine-salicyloyl also helps fight irritations. V4B Yeasty Skin Shampoo is soap-free and pleasantly scented.

PRESENTATION

Bottle of 8oz, 16 oz and 1 gal.

TECHNICAL SPECIFICATIONS

Soap-free lathering solution for the antiseptic cleaning of dogs, cats and horses with dermatological conditions that are responsive to chlorhexidine and ketoconazole.

INGREDIENTS

Chlorhexidine 2%, Ketoconazole 1%, Phytosphingosine-salicyloyl 0.05%

STORAGE

Store at controlled room temperature.

PRECAUTIONS

Keep out of reach of children. Do not swallow. For external use only on dogs, cats and horses. Avoid contact with the eyes or mucous membranes. If undue skin irritation develops or increases, discontinue use and consult a veterinarian.
