# DENTAL HEALTH

ORAL HEALTH & BAD BREATH CONTROL

## PROPERTIES

FOR DOGS & CATS

V4B Total Dental Health Aqua Dental Splash RF2 water Additive is a palatable and refreshing solution for the management of oral health and bad breath in dogs and cats. V4B Total Dental Health RF2 water additive helps prevent the accumulation of biofilm on teeth and maintain good oral health. The sweet mint flavor makes it palatable and helps fight bad breath.

## FEEDING DIRECTIONS

V4B Total Dental Health water Additive is a 2-in-1 product; it can be used either as a water additive or as a mouth rinse.

As a water additive for Cats and dogs less than 25 lbs: add 5 ml (0.17 oz.) of V4B Total Dental Health RF2 water Additive to 475 ml (1 pint) of fresh drinking water daily.

Dogs over 25 lbs: add 10 ml (0.34 oz.) to 950 ml (1 quart) of fresh drinking water daily.

Change the water everyday even if all has not been consumed.

As a mouth rinse attach the red spraying nozzle to the bottle and apply directly onto the teeth and gums. V4B Total Dental Health RF2 Water additive can be used in a protocol together with Dr. Kraemer's V4B Anti Septic Dental Rinse to optimize oral health.
