

# TOTAL JOINT CARE

## FOR ADVANCED PROTECTION (SOFT CHEWS)

### PROPERTIES

 FOR DOGS ONLY

V4B Total Joint Care Formula contains a unique blend of ingredients to help support the joint function in many ways. UC-II is a patented form of undenatured collagen that helps maintain a normal immune response to prevent auto-immune attacks on the joint. Boswellia extract helps maintain normal inflammatory response within the joint. Astaxanthin is a powerful antioxidant that has been proven to be 6,000 times more potent than vitamin C. V4B Total Joint Care Formula also brings the cartilage building blocks glucosamine and MSM, and muscle support with creatine. V4B Total Joint Care Formula is formulated using the TRP Soft Chew technology, giving the product unparalleled softness and palatability.

### DIRECTIONS FOR USE

Pets 5-15 lbs. - 1/2 chew every other day.  
 Pets 16-30 lbs. - 1/2 chew daily.
