DR. KRAEMER'S PREVENTIVE CARE

DIRECTIONS FOR USE

Wet coat thoroughly with warm water. Apply enough Aloe & Oatmeal Shampoo to make a rich lather. Work shampoo from head to hindquarters. Let stand for approximately 5-10 minutes, then rinse thoroughly. For best results, repeat process. Aloe & Oatmeal Shampoo is a soap free formulation. It can be used as often as necessary and will not strip the coat. Safe for use with topical flea control products.

CAUTIONS

For animal use only. For topical use only. Avoid contact with eyes or mucous membranes. If undue skin irritation develops or increases, discontinue use and consult your veterinarian. In case of contact, flush eyes with water and seek medical attention if undue irritation persists. Keep out of the reach of children.

STORAGE

Store at controlled room temperature. For topical use on animals only
