DR. KRAEMER'S PREVENT & CARE **English Bulldog owner handout**

VET4BULLDOG
DR. KRAEMER'S PREVENTIVE CARE

DIRECTIONS FOR USE

Dog weight: Amount
Up to 50 lbs: 1 soft chew, twice daily
51 to 100 lbs: 2 soft chews, twice daily
Over 100 lbs: 3 soft chews, twice daily
For dogs over 12 weeks of age. Use only as directed by your veterinarian. Responses to supplements may vary by animal.

CAUTIONS

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. Should be used with caution with cardiac and kidney problems, and with animals on steroids. Excessive or long term use may cause water retention, hypertension, and other cortisone-like side effects.

WARNINGS

Not for human consumption. Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately. Due to the tasty nature of our products, do not leave package unattended around pets. Full ingredients and product details: visit the product page and read the label.
