DR. KRAEMER'S PREVENT & CARE **English Bulldog owner handout**

VET4BULLDOG
DR. KRAEMER'S PREVENTIVE CARE

DIRECTIONS FOR USE

Shake well before use. Wet the hair coat with warm water and apply a sufficient amount of shampoo to create a rich lather. Massage shampoo into wet hair coat, lather freely. Rinse and repeat. Allow to remain on hair for 5 to 10 minutes, then rinse thoroughly with clean water. May be used initially 2 to 3 times a week for 4 weeks, then reducing to once a week, or as directed by your veterinarian.

CAUTIONS

For animal use only. For topical use only. Avoid contact with eyes or mucous membranes. If undue skin irritation develops or increases, discontinue use and consult your veterinarian. In case of contact, flush eyes with water and seek medical attention if undue irritation persists. Keep out of the reach of children.

STORAGE

Store at controlled room temperature. Full ingredients and product details: visit the product page and read the label.

ACTIVE INGREDIENTS

As stated on the approved product label.
Chlorhexidine gluconate 2%
Ketoconazole 1%
