DR. KRAEMER'S PREVENT & CARE **French Bulldog owner handout**

VET4BULLDOG
DR. KRAEMER'S PREVENTIVE CARE

DIRECTIONS FOR USE

Bulldog Under 11 lbs: 1 pump per 2 lbs Bulldog 11-88 lbs: 1 pump per 4 lbs Bulldog Over 88 lbs: 1 pump per 6 lbs Shake well, apply on dry hair. Dispense 1 or 2 pumps in the hand and then apply it to the targeted area. Massage into the skin until fully penetrated. Do not rinse. Let air dry. Once dry, brush your bulldog hair coat again.

CAUTIONS

For topical use on animals only. Avoid contact with eyes, or mucous membranes. If eye contact occurs, rinse thoroughly with water and consult a veterinarian. Do not allow the animal to directly inhale the mousse. If undue skin irritation develops or increases, discontinue use and consult a veterinarian. Keep out of reach of children. In case of contact with eyes or mucous membranes, flush with copious amounts of water for 5-10 minutes. If irritation persists seek medical attention immediately

STORAGE

Store tightly closed at room temperature to ensure freshness.
